

Tolgy Wood and The Massachusetts Renaissance Faire do not support hate groups or their philosophy of fear and division in any way. We are saddened by the departure of our friends and colleagues over false allegations that the ownership has engaged in hateful activities, and wish them well in their future feats of creativity. The Massachusetts Renaissance Faire supports diversity, equity, and inclusion as we strive to produce the best Faire experience around, and we have had a Safe Space Policy since the beginning. We are dedicated to providing a harassment-free event experience for everyone, regardless of gender, gender identity and expression, sexual orientation, disability, physical appearance, body size, race, age, or religion. We do not tolerate harassment of event participants in any form.
